[Horizon Hospital undertakes free Nurses Training for Preventing “Medical Errors”](#)

NR INDRAN / INT / [Health / Pharma](#)

HORIZON HOSPITAL a highly specialized boutique

hospital, with best track record for critical care & Emergency in Thane under its Corporate Social Responsibility has recently conducted “Free Nurses Training Program for Preventing Medical Errors” in Thane.

In Today’s highly competitive health service Industry, there is lack of time and expertise available to enhance the skills for nurses that is a must for the ever evolving medical breakthrough from time to time. Doctors being the solution providers are bound to update their knowledge and skills so as to give best medical care to the patients, but about the para-medical staff especially “Nurses”, what about their skills?.

Incidents of patients becoming critical due to “Medical Errors” are reported everywhere nowadays. Hence a training program that will help nurses to understand various methods and techniques to prevent “Medical Errors” will go a long way in giving best and correct treatment for the patients.

Speaking on the occasion Dr. Hrushikesh U. Vaidya- Medical Director – Horizon Hospital, under whom the above training program has been initiated, opined that, “Our hospital is been continuously upgrading skills of the nurses that will prevent Medical Errors to give best possible medical service our patients, and we also would like to spread the knowledge to as many nurses as possible so that ultimately every patient, whether he comes to our hospital or any other hospital will not face problems due to “Medical Error”.

Horizon Hospital team comprises of highly skilled Intensivist, qualified and trained team of resident doctors and nursing staff. The ICU core team is supported by all super-specialists –Cardiologist, Diabetologist, Surgeon, Orthopedician, Neurosurgeon, Neurologist, & other medical and surgical specialist round the clock.

Dr. Hrushikesh U. Vaidya has done fellowship in Pulmonary & Critical Care Medicine at Little Rock, Arkansas & has worked as consultant Intensivist in Hays Medical centre, Kansas for four years.
